NEWSLETTER

Friends,

HAPPY NEW YEAR! May the blessings of GOD be abundant in the following year. 2008 was a good year for us. Our needs were met through the blessings of our Creator, the Lord God Almighty.

We have seen several improvements to the property, which makes the house more accommodating. The kitchen was completed and the garage was converted into a bedroom. The garage renovation allowed us to spread the residents out enough as not to be in each others space all the time. God placed a call upon one of His Children to contribute the finances needed for renovation. Praise GOD!

With the Holidays behind us, we once again are settling down to the curriculum of Grace Happens. The volunteer's are back, as well as the class studies, chores, church, counseling, N/A meetings, etc.

Interfaith Counseling is commuting each week to our facility, and is currently counseling with each lady.

We currently have eight resident's. They are doing great! Their attitudes seem

right, and their concentration is on their recovery. We are very pleased with each one.

The year has seen several ladies leave our program through completion of assignment.

We really appreciate everyone that has contributed to our cause over the past year. We thank you with a sincere heart. The volunteer's, prayer warriors, financial contributors, food and clothing suppliers, non-cash contributors, and the list goes on. All of you. THANKS!!!

Our goal for 2009 is simple. That each lady entering our program will hear the Gospel of Jesus Christ, and will desire to accept His Salvation. That they will witness and know the Love of Christ in our daily lives, and that none will perish, but all will have everlasting life. We feel that the completion of this goal will supply the needs of the secondary goals.

We are always in need of volunteer's, financial supports, prayer warriors, house moms, and the list goes on. If you feel the call to help in any way, please don't hesitate to contact us.

Until the next time, we will remain,

In service of HIM,

David Gibson, V. President
Grace Happens, Inc.
